

Welcome to Green Mountain Medicine!

Dear valued patient,

Thank you for trusting us with your health care. We are committed to providing excellent holistic care for you and your family, and are dedicated to helping you meet your immediate and long-term wellness goals. Our mission is to inspire, guide and support you as you make improvements in your health. We believe your improved wellness will lead you on a path to fulfilling your greatest potential in your family and in the community.

In advance of your first visit we ask that you complete a Health History form. **Please bring this completed form to our first visit.** This is our introduction to you and your history, and we appreciate your care in providing detailed and thoughtful responses. **Please also bring a copy of any current lab results you may have, and a complete list of supplements and prescriptions.**

During the course of our work together you may need to cancel or reschedule an appointment. Please provide notice **at least 24 hours in advance of your scheduled appointment**, otherwise a missed appointment fee of 70% of the visit price will be charged. Thank you for your courtesy in giving us notice so we can offer the appointment time to another patient.

Please be aware that our office is **fragrance free** to accommodate those with sensitivities. Your care in avoiding the use of fragranced perfumes, lotions, etc. is greatly appreciated.

Payment Policy

Green Mountain Medicine accepts cash, check, and debit/credit card payments. All payments are due **at the time of service**, or upon receipt of pharmacy items. If you have health insurance that covers naturopathic medicine or acupuncture, Green Mountain Medicine will gladly provide you with a detailed bill for you to submit to your insurance carrier for reimbursement. Your timely, full payment helps us provide you with excellent health care.
